December 11, 2017

To our valued customers;

For **90 years** Antex Western has been providing Mechanical Insulation services to the construction industry. It was the first service to be provided by the Company and remained a backbone of our operation to present day.

However, times change and progress does not stop. Although we have undergone significant improvements in technology, agreements made long ago have created an environment unable to adapt with the times.

It is for this reason that we have decided to discontinue this service offering from our business as of Dec 31, 2017.

There is good news however,

Brian Krulicki, our Mechanical Supervisor has with the help of Jeff Ditchfield our Department Manger started up **Integrity Mechanical Insulation Ltd.**

They will be operating out of our premises and have our support and unqualified recommendation to you, our valued customer.

Brian as President has assured us that he and Jeff will continue to provide the excellent service that you have come to expect from us over the years.

They will begin operation January 1, 2018. There contact information is;

Integrity Mechanical Insulation Ltd

1340 Church Ave.

Winnipeg, MB

Integritymechanicalinsualtion@gmail.com

204-795-5615

We would like to thank you for the years of commitment that you have given us and trust that we leave you in good hands with Brian's company.

Sincerely,

Mike Kolas,
President & C.E.O.
