Career Opportunities in Polished/Decorative Concrete Industry.

Field Installation Technicians

We are looking to keep up with demand by adding reliable people to our team. We are a leader in our industry and offer competitive compensation packages including; top wages and health benefits. We take pride in providing a secure work environment. We offer steady hours with plenty of opportunities for overtime year round. We want to see our personnel succeed and are committed to providing the tools and resources necessary to support our staff in achieving their career goals.

What you can expect:

All field personnel report to the shop each morning, load up and head to site. Typical shifts start at 6:00AM but open availability for afternoon, evening, weekend, and periodic out of town work as required.

What we're looking for:

No experience necessary. We will provide training to dedicated candidates who are willing to work hard and learn a new trade. If you are physically fit, reliable, and looking for steady work, a second chance, or a new career. We value drive & dedication over experience; however, the following training / experience would be considered an asset:

- Familiar with hands on work with tools & / or heavy equipment
- WHMIS Certification
- MB Health & Safety Awareness
- Electrical Safety Awareness

If you are a punctual individual with a strong work ethic looking for long term employment on an excellent career path, we would love to hear from you.

Please forward your resume to: Ken Klohn / Ken@antexwestern.com
